APPLICATION TO BE AN APPOINTED BOARD MEMBER

Applications are invited for an Independent Board Member to be appointed to the Board of Netball Northern Zone. The position is for a three-year term, is voluntary and is an appointed role, rather than an elected role.

The Netball Northern Zone is one of five Zones throughout New Zealand and is a regional sporting organisation formed for the purpose of leading, developing, promoting netball, as well as managing our franchise team, the MG Mystics that play in the ANZ Premiership.

Netball is the highest participation sport for girls and women in New Zealand, played from the grassroots level to the international stage. Our role in the zone is to:

- Administer, promote, and develop the game guided by Netball NZ's Poipoia Strategy
- Provide guidance and leadership in relation to the 16 netball centres in our zone, and support the delivery of their strategic plans
- Facilitate representative pathways for players and manage the National League, Northern Marvels and MG Mystics teams
- Undertake good financial governance oversight

We are particularly looking for at least one candidate that has extensive experience in High Performance Sport (not necessarily netball), either as a coach, selector and / or an athlete.

The successful applicant may also have proven experience and success as either a Director or Senior Executive. Those with strong commercial and/or business development experience will also be looked on favourably.

All applications should include a CV, together with an appropriate cover letter and be emailed to: trish.harkins@netballnorthern.co.nz by 27 February 2022.
