Kia Ora Everyone

Most centres have now started, or about to start their seasons, and it's pretty cool to see everyone out there on court enjoying their games.

We know this is a busy time for Centres not just getting grading and comps up and ticking along, but running umpiring and coaching courses so a big thank you and pat on the back to all you workers and volunteers out there making this all happen.

It's a timely reminder to take care of our umpires ensuring good sideline behaviour with plenty of positive encouragement especially as many are learning, so let's be kind to all our umpires.

There is plenty coming up with webinars from Netball NZ in May, and our own Zoom with Zone series will be advertised soon. Zone Zui's are a great opportunity to connect with your colleagues, pose your challenges and together learn from each other.

We look forward to seeing you online soon!

BOARD UPDATE

Netball Northern Zone would like to share some changes to our Board team, with a farewell to two of our current board members and a welcome to new team members. I have included a link to the Netball Northern Zone website which has the full letter from our chair Mary Gardiner and introduces the new members of the team.

FUNDAMENTALS IN COACHING SUCCESS ROADSHOW – Workshop 1

21 community coaches attended the first of Dame Noelines Fundamentals for Coaching Roadshow series on Wednesday night.

After observing part of the Mystics training session, coaches were updated on the latest information from NetballSmart Programme Lead, Sharon Kearney, also receiving some of the very cool resources available.

The Silver Ferns management team of Dame Noeline Taurua, Guy Mothersole, Strength & Conditioning Coach, and Dr Rob Corban, Team Psychologist, then held an engaging session focused on getting the fundamentals of netball right at the community level.

The second Northern Zone workshop will be held on Wednesday 19th May at Auckland Netball Centre. You can register now with the following link:

NETBALLSMART

The first NetballSmart Prep’N’Play programme was successfully ran at Howick Pakuranga Netball Center through March. This programme was developed with the aim to get Players fit for the Netball season, build strength, core control and stability, and develop good Netball movement patterns. ACC statistics show that between the months of April and May there is a 300% spike in Netball related injuries. This programme is designed to help transition players into the season.

Prep’N’Play is now available on the NetballSmart website or for more information please contact Mel or Suzie.

<https://www.netballsmart.co.nz/images/netball-smart/pdf/NetballSmart-Prep-n-Play-Resource-web.pdf>

NetballSmart has grown significantly beyond the NetballSmart Dynamic Warm up, it is a comprehensive holistic Injury Prevention programme (IPP) connecting with not only coaches but also players, parents, officials, and governance.

Ongoing exposure of content and messaging to the wider Netball population is vital to the long-term success of this programme. In the Northern Zone the NetballSmart team has now grown to include two NetballSmart activators based at Papakura and Whāngarei Netball Centres.

Tracey Spence the Netball Smart Centre Activator based at Papakura Netball Centre has led the promotion and delivery of the Netball Smart Power Warmup for all of members over three grading day events. The Power Warm-up was also a huge component of Representative Trials over two weeks educating those that are new to the program.

NetballSmart has been designed to ensure players become “physically capable and competent movers”. This means that they have the fundamental movement skills, the Netball Specific movement skills and the strength needed to play the game.

Players that are physically capable and competent have more time on court, are less likely to get injured and therefore constantly improving their performance.

NETBALL NZ WEBINAR SERIES

KAIPARA NETBALL CENTRE

Kaipara Netball Centre held a School Holiday player fun day for Years 3 – 6. They had beautiful weather and fantastic player participation with 85 children attending the full day session at Kaipara Netball Centre.

The day was led by their Junior Coordinators and included NetballSmart Junior Dynamic Warmup, 6 Skill Stations focussed on Passing, Pivoting, Dodging, Defence, Shooting and Spatial Awareness skill and concluded with players all participating in FutureFERN on court games.

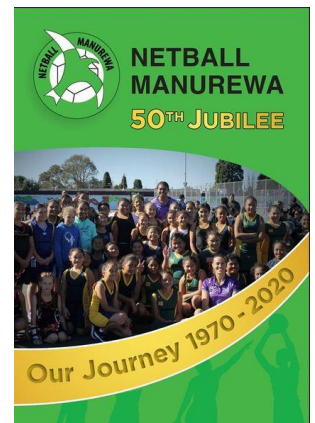

Their special thanks to Michaela Sokolich-Beatson who took time out of her busy schedule to drop by, engage with our players, sign autographs and pose for what seemed a million photographs.

MANUREWA NETBALL CENTRE

Happy 50th Golden Jubilee Netball Manurewa 1970 – 2020

On the 23rd and 24th April Netball Manurewa celebrated their 50th Jubilee with a mix and mingle evening followed by a netball tournament the next day. What a great way to celebrate 50 years of netball!!

KINGSWAY SCHOOL

Michaela Sokolich Beatson and Holly Mather recently visited Kingsway School to deliver a Year 7 & 8 Player Development Programme.

The girls were taken through a session on how to create space and Michaela took them through a quiz to name large muscle groups. Many thanks to Harbour Sport for assistance in funding this project.
