

PAPAKURA NETBALL CENTRE

2021 Funding Proposal

BACKGROUND

Papakura Netball Centre has at present a membership of 198 teams affiliated to the domestic competition (Saturday netball), which equates to approximately 2000 players, 200 Coaches and 200 Umpires for the 2021 season. In addition to the domestic competition we deliver the largest Counties Manukau Secondary Schools competition with a membership of 89 teams, 26 schools, and over 1800 additional members, deliver multiple school tournaments, and offer coach, player and umpire development pathways.

The last 4 years has seen growth in the services delivered to our community e.g. ANZ FutureFERNs Netball programme and Te Puawai Netball Leadership in Schools programmes, which has enabled netball to be taught to newcomers of the game and part of the school curriculum in over 16 local schools.

Our vision is that our community and individuals are enriched through netball experiences. We aim to provide a supportive and safe environment with a focus on ensuring that all members have the best experience in sport. Develop a lifelong love of community netball and a love for being physically active. Play is a crucial part of physical, cognitive, social/emotional, and spiritual development for all.

ABOUT US

OUR STORY

Established in 1938, when Netball was still called Basketball Papakura Netball Centre has been providing a platform to play the game we love for decades.

In 1997 Papakura Netball Centre moved from Smiths Avenue to Bruce Pulman Park. With over 3000 members competing on our 20x rubberized outdoor courts, and cornerstone tenant access to the world class Bruce Pulman Arena we strive to inspire and enrich our members in there netball experiences.
